Exhibitor Invitation

CODEQUEST 2023

The Nebraska Academy of Eye Physicians and Surgeons (NAEPS) would like to invite you to participate in its Codequest 2023 event. The goal of our event is to provide education on the latest coding updates, review key competencies, test knowledge of new E/M requirements, and steer clinics towards successful solutions for preventing claim denials.

NAEPS is proud to represent over 80 individual physician-members and close to 70% of all Nebraska ophthalmologists. This year's Codequest 2023 will take place on Friday, March 31st, 2023 at the Embassy Suites-La Vista Hotel and Conference Center on 12520 Westport Parkway, La Vista, Nebraska 68128 from 8:00am-12:15pm, and we expect at least 50 attendees, including ophthalmologists, practice administrators, technicians, scribes, compliance, and coders and billers. If you choose to participate, there is an \$750 fee. For this fee, NAEPS will provide the exhibitor with a six-foot table, recognition as an event exhibitor, set times to interact with event attendees, and listing on the event website with a company description (up to 125 words). If you are interested in participating, please complete the form below. You can also complete the form on our website at www.nebeye.org.

With your participation, NAEPS can focus on carrying out its mission and help enhance patient care for Nebraskans. We are hopeful you will recognize the benefits of participating our event and thank you for your consideration.

Sincerely,

Carmen Chinchilla
NAEPS Executive Director
